everything you want it's a dream away

## **The Adventure - Angels & Airwaves**

I want to have the same last dream again,  
The one where I wake up and I'm alive.  
Just as the four walls close me within,  
My eyes are woken up with pure sunlight.  
I'm the first to know.  
My dearest friends,  
Even if your hope has burned with time,  
Anything that's dead shall be re-grown.  
And your vicious pain, your warning sign,  
You will be fine.

## **1000 Nights - Frenship**

When the fever's gone  
And the rose to dust  
I touchdown Sunday  
To tie the loose ends up  
With a pocket full of  
That gypsy stuff  
I heard you calling me, calling me, calling me  
Through the dissonance  
I've been known to run  
Just to feel the rush  
But the dying sun  
Illuminates so much

### **Sunrise Avenue - Dreamer**

Have you ever felt like a prisoner  
But you haven't escape yet?  
You're a rebel and not a follower  
And your destin to make it

Have you got, have you got, got, a heart full of dreams?  
'Cause I got, yeah, I got, got a heart full of dreams  
Have you got, have you got, got, a heart full of dreams?  
'Cause I got, yeah, got a heart full of dreams  
Yeah

### **Follow Your Fire - Kodaline**

We had the songs that we sang along to  
You had the moves to make me dance with you  
I always saw you reaching and catching stars

Hung on your sleeve, you wore your heart on it  
Did you get out I'm wondering where you are?  
(Did you follow your, follow your fire?)

That tonight's gonna be a good, good night

## **On Top Of The World - Imagine Dragons**

If you love somebody  
Better tell them why they're here 'cause  
They just may run away from you

You'll never know what went well  
Then again it just depends on  
How long of time is left for you

I've had the highest mountains  
I've had the deepest rivers  
You can have it all but not til you move it

Now take it in but don't look down

## **Legendary - Welshly Arms**

Take a look around me  
Taking pages from a magazine  
Been looking for the answer  
Ever since we were seventeen

You know the truth can be a weapon  
To fight this world of ill intentions  
A new answer to the same question  
How many times will you learn the same lesson?

I think they got it all wrong  
We just got to hold on  
And on, and on, and on

'Cause we're gonna be legends  
Gonna get their attention  
What we're doing here ain't just scary

It's about to be legendary

The dragonfly it ran away  
But it came back with a story to say

Her dirty paws and furry coat  
She ran down the forest slope  
The forest of talking trees

From dirty paws and the creatures of snow

You can beat the clock  
You can move a mountain  
You can break rocks  
You can be a master  
Don't wait for luck  
Dedicate yourself and you can find yourself

And you'll be on the walls of the hall of fame

I, I will be King  
And you, you will be Queen  
Though nothing will drive them away  
We can be heroes just for one day  
We can be us just for one day
